

Reasons to Choose PhysioWorks

“Every person longs to be significant, to make a meaningful contribution, to be part of something purposeful and noble.”

Proven expertise you can trust, the empathy you deserve

- Sarasota County’s **premier** physical therapy destination.
- For over 30 years, **PhysioWorks** has successfully treated **1,000’s of patients** across virtually every physical therapy discipline.
- Uniquely dedicated to **positive recovery outcomes** by delivering compassionate, patient-centered care and experiences.
- Setting the **“Competitive Gold Standard”** for professional performance in our market.
- Within a recent 24-month period, **426 doctors** have referred their patients to PhysioWorks.
- Helping our patients live a **pain free, healthy life** is what drives us to **exceed your expectations**.
- We have the **experience** to understand how to treat our pain, combined with the **expertise** to do it right the first time.
- Our highly trained staff, **one of the largest in our marketplace**, with over 122 years of combined experience, including 5 Doctors of Physical Therapy, has the **diagnostic competency** and **clinical capacity** you **deserve** and **demand**.
- You can trust our **world-class** clinical staff to put our know-how and innovative, evidence-based techniques to work for you.
- **PhysioWorks** is here **when only the best** matters most to you.
- We create the right balance of **clinical mastery** and **empathetic relatability** to provide a **memorable** and **rewarding** experience for you.

- Through our capable performance and empathetic approach, we actively transform the understandable **public perception** of Physical Therapy from **Pain and Torture** to **Prosperity and Triumph** for you.
- We **love the challenge** of treating our most difficult patients (and **personalities!!**) through their recovery journey.
- At **PhysioWorks**, we are small enough to **personalize** each patient's journey, yet large enough to deliver **world-class results**. We establish and maintain a **continuous, open, and transparent** communication link between you and our staff.
- The health and value of our practice will always be measured by the **successful impact** we make on the well-being of your life.
- We deliver **what you prioritize** by turning **frustrating setbacks** into **winning comebacks**.
- Our **ultimate goal** is to return you to your healthy life with a **smile** on our face,
- a **wonderful recovery story** to tell, and **gratitude in our heart** for the doctor or individual who referred you to **PhysioWorks**.
- Our **Irrevocable Promise** to you is to transform your experience with us into a **glowing review** of the **Doctor's or individual's convincing decision** to refer you to our welcoming door.
- Isn't it **reassuring** to know you have a **dedicated team** of specialists working seamlessly together with you to ensure you **receive the quality care** you **expect** and **deserve**?
- **Thank you** for choosing **PhysioWorks**!

"You get everything you want in life by simply helping enough people get what they want."
